# Meeting Brief — Google Docs

Contains the meeting purpose, attendees, proposed agenda, preparation questions, and expected outcomes.

# WEEKLY OPERATIONS CHECK-IN

*Executive Assistant Sample Work | Fictional Client: Northstar Creative Studio*

## Meeting Brief

| | |
|---|---|
| **Meeting purpose** | **Review current priorities, project progress, blockers, and decisions needed for the coming week.** |
| **Suggested duration** | 30 minutes |
| **Attendees** | CEO / Founder, Operations Lead, Project Lead (fictional roles) |
| **Preparation** | Review open action items, project deadlines, and any decisions awaiting approval. |

### Proposed Agenda

1. 1. Review top priorities for the week (5 minutes)
2. 2. Check project milestones and deadlines (8 minutes)
3. 3. Discuss blockers and decisions required (10 minutes)
4. 4. Confirm owners, deadlines, and next steps (5 minutes)
5. 5. Recap decisions and close (2 minutes)

### Key Questions to Prepare

- Which deliverables are most important this week?
- Are any deadlines at risk, and what support is needed?
- Which decisions require the CEO's approval?
- Who owns each follow-up, and when is it due?

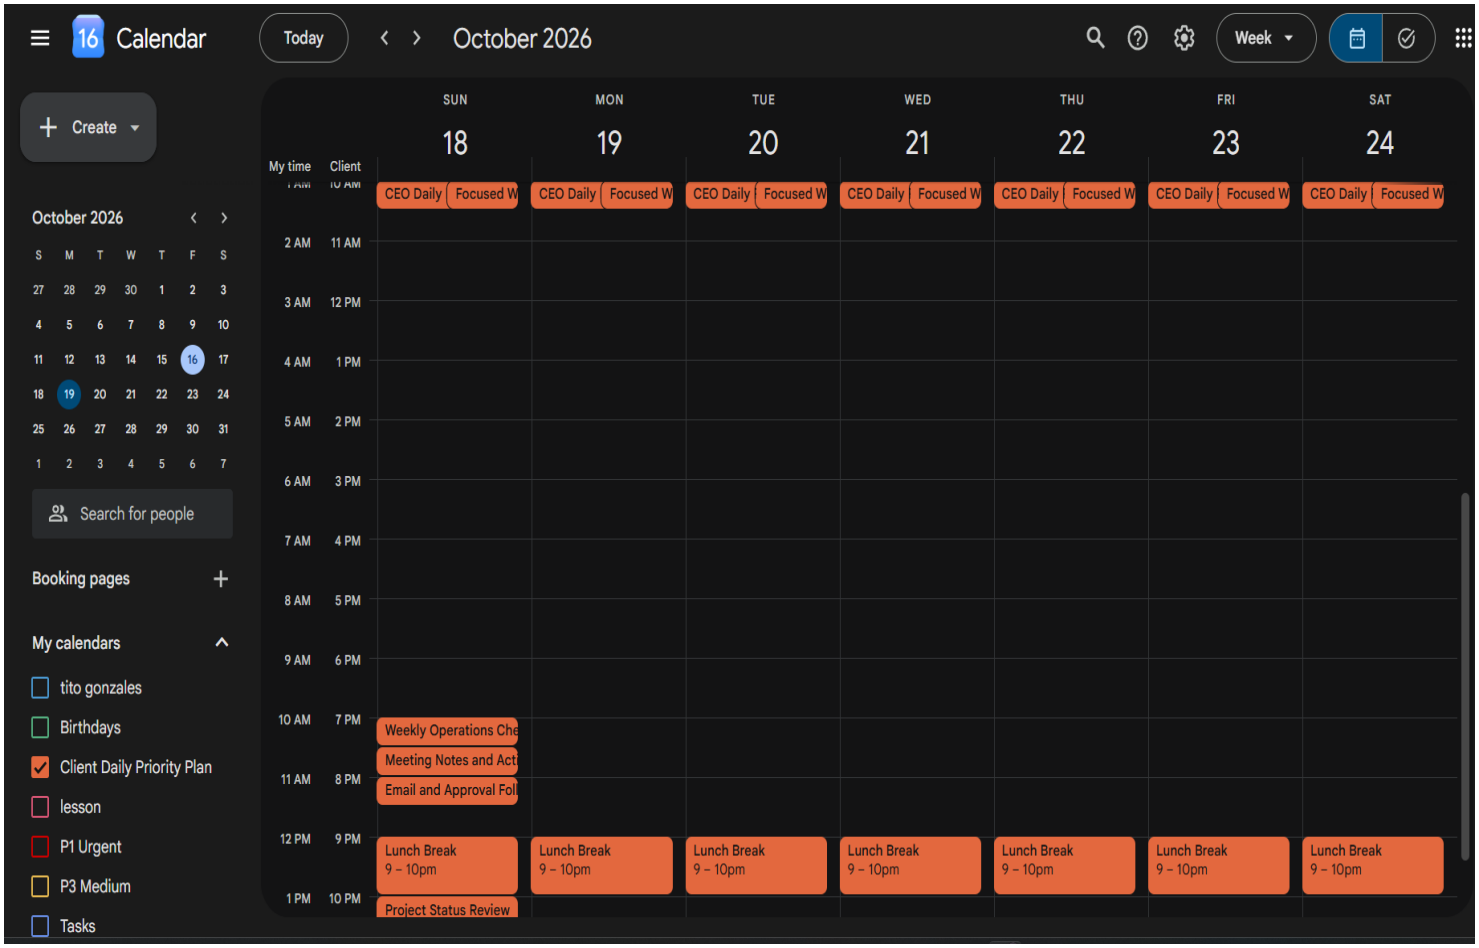

### Expected Outcomes

- Agreed list of weekly priorities.
- Clear owner and due date for each action item.
- Documented decisions and identified blockers.
- Follow-up tasks ready to enter into the action tracker.

Portfolio note: This is a self-initiated practice sample using a fictional business scenario. It does not represent work completed for an actual client.

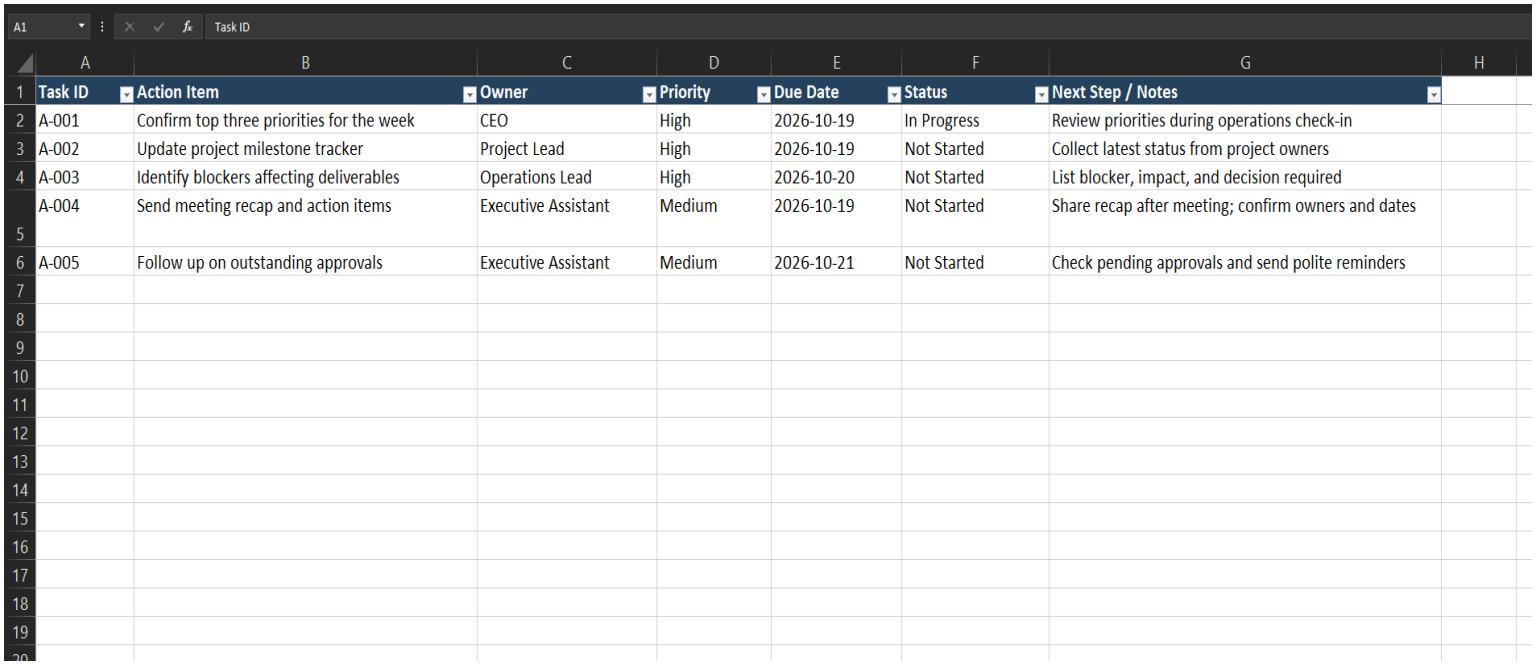

# CEO Daily Priority Plan — Google Calendar

Contains sample calendar events for priority planning, focused work, an operations meeting, follow-ups, and end-of-day review.

# Action-Item Tracker — Google Sheets

Contains task names, owners, priorities, deadlines, status dropdowns, and next steps.

| Task ID | Action Item | Owner | Priority | Due Date | Status | Next Step / Notes |
|---|---|---|---|---|---|---|
| A-001 | Confirm top three priorities for the week | CEO | High | 2026-10-19 | In Progress | Review priorities during operations check-in |
| A-002 | Update project milestone tracker | Project Lead | High | 2026-10-19 | Not Started | Collect latest status from project owners |
| A-003 | Identify blockers affecting deliverables | Operations Lead | High | 2026-10-20 | Not Started | List blocker, impact, and decision required |
| A-004 | Send meeting recap and action items | Executive Assistant | Medium | 2026-10-19 | Not Started | Share recap after meeting; confirm owners and dates |
| A-005 | Follow up on outstanding approvals | Executive Assistant | Medium | 2026-10-21 | Not Started | Check pending approvals and send polite reminders |
